

? FAQs

WHAT IS A MEAL PLAN?

A meal plan is pre-paid account for your on-campus meals. At the start of the term, you pay for all the meals you'll eat in the dining halls. You'll then swipe your student ID or a special meal card every time you enter a dining area, and the value of your meal will be deducted from your account.

HOW DO I CHANGE MY MEAL PLAN?

The last day to cancel or decrease a residential meal plan for fall or spring semesters is five business days after the start of classes. You may increase your meal plan at any time. Please visit <https://www.mga.edu/card/meal-plan.php> for residential or commuter meal plan changes.

WHY AM I REQUIRED TO HAVE A MEAL PLAN?

Not all residence halls on campus have kitchen facilities. Your microwave works well for popcorn, but it's not sufficient to prepare well-balanced, nutritious meals. Having meals prepared for you allows you to focus on your education instead of trying to figure out what (or how) to cook.

DO MY DINING DOLLARS ROLL OVER?

MGA Dining Dollars roll forward each semester. For more information, please visit: www.mga.edu/card/dining dollars.

DINING GUIDE

MIDDLE GEORGIA
STATE UNIVERSITY

Hi! WELCOME

Welcome to the dining program at Middle Georgia State University managed by Aladdin food service. We offer a program that meets the needs of today's college student. Each year, you will experience exciting changes, fresh menus, and new enhancements to your dining experience. The enhancements will be a result of the feedback and input of students, faculty, and staff on campus. .

Special Dietary Needs

Middle Georgia's dining program and a Registered Dietitian (R.D.) will work with parents, school nurses, teachers, and health care providers to help manage students' food allergies and special diets by:

- » Working with physicians, dietitians, or qualified nutrition specialists to manage dietary substitutions.
- » Knowing where emergency medications are stored and knowing how they should be administered in case a student has an allergic reaction.
- » Reviewing menus with parents or students who have food allergies to determine what, if any, menu items need to be substituted.

BeWell

Middle Georgia State University's Dining Service is committed to bringing nutritious food to the table and making the healthy choice an easy choice for all our dining guests. We created BeWell to make it easier for you to choose well. First, our BeWell eating approach combines the latest in nutrition science and culinary trends to create a crave-worthy, nutritious menu choice. Second, our BeWell wellness approach encourages positive behavior change through our promotions, wellness education programs, and partnerships. Incorporating our StarChef program; an interactive menu program that highlights healthier options and provides the most current nutritional information for daily menus will complement BeWell.

\$ MGA DINING DOLLARS

Middle Georgia State University offers an optional pre-deposited (declining debit) card system for dining services. Dining dollars accounts will be activated automatically upon purchase of a meal plan. Dining Dollars may be used in any dining facility on MGA campuses to pay for products and services. All meal plan participants must select a minimum of \$100 Dining Dollars to include as part of their meal plan. Dining Dollars are currently unavailable for use in the campus store or at vending machines.

Meal Exchange

The meal exchange program allows anyone with a meal plan to swipe at a retail location for one meal once a day. Students with Residential/Board or Commuter/Block meal plan can use a "swipe" at retail locations to purchase a pre-defined meal combo, which is communicated at the counter of the venue. Only one meal exchange can be used per day, but students can still utilize Dining Dollars or access the dining halls for other meal periods. If items outside of a meal combo are purchased, Dining Dollars or another form of payment must be applied to complete the transaction. Each week resets on a Sunday after midnight for the week.
